Subject: Gold King Mine - US EPA Region 6 San Juan County Well Testing
150809FLYR-San Juan County private well testing info.pdf

In case you didn't see the coverage over the weekend on the Gold King mine accident:

http://www.denverpost.com/news/ci_28607200/animas-river-tests-show-water-acidic-coffee

Attached is the notice Region 6 sent out to address private wells in the area, under the Superfund program.
